

## **Lull Telehandler Part**

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement precision since 1959. The Lull telehandler can help make the job faster and easier, whether the job requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available together with the patented Stabil-Trak stability system so as to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional attachments is available for Lull telehandlers in order to help finish whatever work.
