

Rockwell Part

Rockwell Parts - The company of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for delivery, quality, service and technology. They believe in working in an atmosphere that supports the utmost integrity with empowered collaboration, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of environmental safety and stewardship in how they do business. The company has put different programs in place so as to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whatever questions or comments, as they are glad to share and promote this policy with a greater understanding of their efforts. They are extremely devoted to preserving and improving the environment. AxleTech has an EHS program which not only protects the natural world but which even actively protects their workers and neighbors as well.

AxleTech specializes in the designing and manufacture of planetary axles utilized for both commercial and military applications, which may consist of anything from construction equipment to airport ground support. They take great pride in being an innovative drive-train solutions provider also. AxleTech specially designs axles to meet certain application demands. They have over 1000 various axle specs in their existing offering. With over 100+ years of history and skill, AxleTech proudly supplies the most complete solution for any of your axle needs. The business is well known in numerous military and commercial applications. They offer complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details that can be found in the "ISAS" product collection.
