

## **Fork Mounted Sweepers**

Fork Mounted Sweeper - This particular accessory truly makes industrial sweeping work much easier to accomplish. The handy lift truck mounted broom is intended for use with either dry or wet material clean ups. It can squeegee water and push snow with ease. This accessory is normally utilized to clean debris from docks, parking lots, warehouses, construction sites and almost everywhere it is required. The lift truck sweeper is a low maintenance attachment which utilizes quick-tite blade products to effortlessly attach to the forklift.
