

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with effectively developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

When required, the staff members within TREK and its many dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery ready and working day after day is top priority. The company's top of the line technology delivers dependable equipment that ultimately reduces your cost of cleaning. The service, the product and the price all work together to be able to make them the leader in the trade.
