

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known within the industry as durable and strong machinery that meets all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply warranty service, machines and parts for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
