

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes great delight in attaining total customer satisfaction, when their client is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with resilient processing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the company has four distinct production facilities that allow them to persistently adapt to their clients continually evolving requirements by offering a variety of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and processes that minimize their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally aware organization.

Nissan is fairly confident that any of their clients queries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
