

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how long and tedious it will actually be to clean-up right after a party, with no assistance from equipment. Previously, the dust from carpets and upholstery had to be beat out of them by hand; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Starting the company in the year 1906, he started to make motors in order to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the start was to own an international business advertising merchandise worldwide.

The Nilfisk C1 was an incredible breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This creation came in a time where many cleaning equipment were massive and needed 4 or more operators, thus, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing dilemma; stuff get dirty and should be cleaned frequently, without a lot of effort.

Gradually but steadily, Nilfisk-Advance expanded through the years. During the nineteen eighties, this expansion truly happened when the company became a part of the NKT Group. Their new owners' determination and concentration made Nilfisk-Advance take a huge leap forward within the trade, aspiring to be one of the biggest global players in the market of professional cleaning machines. Nilfisk-Advance is presently represented in every part of the globe due to gradually obtaining many smaller businesses to be able to grow their product range and presence in new markets. They are really proud to provide different cleaning solutions to meet each requirement.
